Public Relations

Winning Projects are honored at MACDC's Winter Conference, and are featured in Pipeline Magazine. The Awards Committee will issue a press release to publicize the Awards Program and award-winning projects. Project descriptions will be posted on the MACDC Website (macdc.us).

Special Requirements

All entries will be recognized at the 2023 Winter Conference. MACDC will host a display area. All applicants, regardless of whether they receive an award, may present graphic panels for their projects. Applicants provide a 32" x 40" graphic panel mounted on foam core. The panel should include text such as the Project Title, Drain Commissioner's Name, and a brief list of project highlights. Type size no smaller than 18 point is recommended. Photos, other graphics, and captions that illustrate project features should also be incorporated. The finished graphic panel should "tell a story" about the project. MACDC's Awards Committee recommends simple, inexpensive production for these panels.

Award Winners will be invited to make brief slide presentations highlighting their projects at a conference session on Thursday, February 16, 2023. Further information will be provided with the notification of award (on or before January 4th). Due to time constraints, slide presentations cannot be made for projects receiving Honorable Mention.
